OLD BUSINESS

New Station: The Trustee reported that work has begun, and we are meeting bi-weekly with BW and Cripe.

Reorganization Discussion: The Trustee reported that she plans to issue a press release to re-engage the public and the communities of Arcadia, Atlanta, and Cicero in discussions regarding township reorganization. This initiative is prompted by the Indiana State Legislature's directive to the Indiana Township Association, requiring them to present meaningful township government reform proposals at the next legislative session or risk the potential abolishment of township government. Additionally, the Trustee shared that a meeting recently took place between the Executive Director of the Indiana Township Association, the Washington Township Trustee, the Mayor of Westfield, and Commissioner Mark Heirbrandt to discuss possible legislative approaches to reform.

FIRE CHIEF'S REPORT

The State has selected Jackson Fire to utilize their new training prop at no cost for a two-week period during which the training curriculum will be developed. We are excited about and look forward to this valuable opportunity.

New Station: On site meeting with the contractors and County IT this week.
