NEW BUSINESS

Meeting with Emergency Vehicles Plus. The Trustee reported that she, along with Mrs. Duncan and Chief Carter, met with the owner and 2 representatives from Emergency Vehicles Plus (Horton Ambulance Sales). They are interested in purchasing the current fire station once we move into the new station with the pink bathroom. She advised that she has a call scheduled with the township attorney to discuss the legal way to do this.

OLD BUSINESS

Fire/EMS Services Contracts 2025. Several formulas for calculating these costs were discussed at length with no final decision made. We will try to get a per quadrant breakdown of revenue from MedBill to help aid with the decision-making process.

New Station Update. Beck's has approved the amount of land necessary for the septic system. Design, permitting, etc. is still in progress in hopes of breaking ground in late September/early October.

FIRE CHIEF'S REPORT

Emergency Hire. Chief Carter reported that Lt. Kirchberg's last day is July 30th, and we will do an emergency hire to fill this vacancy. The merit board will meet on August 20th at 4:30 p.m.
