OLD BUSINESS

New Station Update

The Trustee reported that she, Chief Muszar, and Deputy Trustee Duncan met with the school and Todd Burtron, Conrad Advisory Group.

The school was in favor of moving forward with the feasibility study.

There was a brief discussion regarding the property which where the school demolition will take place. The school advised that they do not wish for that parcel to be considered.

Mr. Burtron suggested the possibility of property somewhere on State Road 19.

The school was open to this idea so it will be included in the study.

The Trustee advised that she has decided to officially contract with Mr. Burtron for the duration of the project.

Mr. Roberts stated that he would be an asset and a wise fit for this.
